

THOMAS GEORGE
ESTATES

2009 Thomas George Estates Viognier Catie's Corner Vineyard

Wine Review Online

“Although it specializes in Pinot and Chardonnay, the winery currently makes three different Viogniers. This one is made without oak, so it doesn’t have the heaviness that can come with wooded Viogniers. It has a lovely peach aroma, along with bright peach and apple flavors. The wine is bright, with a great mouthfeel.”
